Overview

The Joaquin Bustoz Math-Science Honors Program (JBMSHP) is a rigorous mathematics program for students interested in careers requiring mathematics, science, and engineering-based coursework. Participants enroll in a university-level mathematics course and live on the ASU Tempe campus to gain an authentic college experience.

Special consideration is given to students who are first-generation college-bound, typically underrepresented in STEM, and/or represent diverse backgrounds throughout the State of Arizona, including rural communities and Native Nations.

Benefits

- Reside on the ASU Tempe campus
- Earn 3 math university credits
- Begin satisfying math prerequisites for engineering, science and math majors
- Take classes with ASU faculty
- Gain valuable insight from ASU students on successfully transitioning to college
- Learn about STEM majors and careers
- Meet like-minded peers from across Arizona

COST: FREE TO ATTEND!

Eligibility requirements

- High school sophomore, junior or senior
- Cumulative 3.25 GPA (unweighted)
- “A” or “B” grades in high school math and science courses
- Minimum of 3 years of high school level math courses completed by May 2024.
- Seniors: accepted to ASU and plan to attend ASU during the fall 2024 semester
- Qualify for Arizona in-state tuition (based on Arizona Board of Regents guidelines)
- Must have lived in Arizona for at least 2 years

Dates and courses

Dates:
June 2 - July 12, 2024

Courses:
MAT 117: College Algebra
MAT 170: Pre-Calculus
MAT 265: Calculus for Engineers I
MAT 266: Calculus for Engineers II

How to apply

Complete applications include:
- Application form
- Personal/career statement
- Unofficial high school transcript (include fall 2023 classes)
- Letter of recommendation
